Issue 5
19 December
2017

Dear Parents and Carers,

It's been a wonderful first term and we hope that you will have noticed how much effort the School and Governors have put into improving communication (with this newsletter and on social media). More is to come next year and I welcome any feedback or suggestions.

Wishing all our children and young people and all their loved ones a peaceful and joyful time during the holidays. We will have the pleasure of letting you know of all the exciting things we are planning for 2018 when we return.

Dr. C. (Chair of Governors)

Happy Holidays!

Just a brief note to round off this term. Firstly it has been a great end of term with lots of fun activities, and some great get-togethers. Huge thanks to parents for coming along and supporting the events; there has been a tremendous sense of community over recent weeks. A special thank you to parents for their running of the Christmas Bazaar, which was tremendously successful.

A concern which I have been made aware of is some parents not receiving these regular newsletters. This issue is coming out in paper form to all parents, but if you have signed up for Parentmail then this will come out to the e-mail account you have signed up with. Please do make the school aware if you do not wish this to be the case. We are trying to reduce the amount of paper copies we are creating for cost and environmental reasons, and we are also aware that sometimes letters go missing in taxis or in transit home. Your next parentlink issue should come out on **Friday 19th January**; please make us aware if you do not receive it.

Bradley

Governors

The full Governing Body formal meeting took place on 6th Dec. The Committee memberships, governor roles and chairs were allocated. Details can be found online.

Bridget visited Rainbow as governor link for this department last week. Yesterday (18th December) **Janet** (Woodland Gov. link) and Dr. C. attended the Woodland Christmas Assembly in the morning and in the afternoon, **Dr. C.** (Gemstone Gov. link) was joined by **Pippa** (Coppice Gov. link). Parent governors and other governors were also proudly present during the various Christmas celebrations which took place over the last ten days.

After a well deserved break, in the first week of term, there will be a meeting of chairs and a review of Bradley's performance. The Full Governing Body training on Ofsted inspection will take place on 29th of January 2018.

IMPORTANT DATES FOR YOUR DIARY

School reopens to children: Thursday 4th January
