

Primary School Centred Initial Teacher Training Partnership

Are you experienced in PE and want to teach in Primary schools?

Have you thought about becoming a qualified primary teacher?

Why this career?

- strong demand for well trained, qualified primary school teachers
- rewarding work, inspiring the next generation
- opportunities for significant career and salary growth, in the UK or overseas

What is the scheme?

- A one year, post-graduate programme leading to Qualified Teacher Status, specifically for careers in primary schools
- Classroom based, on-the-job skills development in a network of local schools
- Includes PGCE (Post Graduate Certificate in Education) academic qualification
- Includes formal training in High Wycombe and surrounding partner schools
- Supported by experienced teacher tutors and school based mentors.
- Allows trainees to specialise in PE while covering other areas of primary teaching
- School direct (employed) and fee-paying (student loan or privately funded) places

Who can apply?

- Graduates in any subject with experience in PE or Sports and working with children

How to apply:

- All applicants go through UCAS
- Applications are now open for trainees starting September 2018

Visit us:

- Join our next information open day (see web-site for dates)
- Arrange an informal visit to our training centre in High Wycombe (close to M40 jn4)
