Dear Parents

Due to the increase in the number of pupils in the department, we are finding that the washing and drying of swimwear and towels is becoming unmanageable.

As of the 24<sup>th</sup> September 2018 please send in your child's swimwear and **two** towels into school for the class swimming morning, and we'll send them home for you to wash. The reason we use two towels per pupil is so that they have one towel to lie on and the other is used to dry them. We have found that this is the best way to prevent them from getting too cold.

Many of the pupils now have specialist swimwear, which can be used instead of disposable swimming pads. If you are interested in purchasing specialist swimwear for your child, here are some websites:

<https://www.fledglings.org.uk>

<https://www.seenin.co.uk>

<http://www.sosecureproducts.com>

Thank you for your support and understanding on this matter. Please talk to your child's class teacher about this if you have any questions.

Best wishes,

Amanda Brown  
(Woodland Department Leader)
