

## Sports Premium Plan 2019/2020

**Total: £17,580**

<b>Issue</b>	<b>Action</b>	<b>By Whom</b>	<b>Resources</b>	<b>Success Criteria</b>	<b>Monitoring</b>
<b>PE expertise</b>	PE specialist to teach half the week to lead PE sessions and work with staff to develop SEN sports provision	BT	ME every afternoon approx. £11,000	Pupils gain in confidence, gross motor and social skills through programme. Teachers develop their own specialist expertise through working with Matt in lessons and through dedicated staff training (due in Spring and Summer term)	Prior to lockdown, Matt was running sessions every day with good feedback from staff. During the Covid lockdown period Matt joined a bubble and supported their learning but didn't work specifically or solely on supporting PE/sports.
<b>PMLD specialist equipment</b>	Set of equipment for each class to enable proprioceptive and vestibular support – wedge, peanut ball, bench	BT/AB	Resources cost £2,500	Pupils have better access to important OT sensory support	A range of equipment has been bought which has supported physical development in these classes, including steps and the proprioceptive/vestibular support resources as listed.
<b>Coaching</b>	Yoga for Autumn and Spring term	BT/IP/ME/SM/HB	Coaching £4,080 budget	Outside expertise supports different skills to those that staff can ordinarily offer.	Staff feedback to state these sessions have dovetailed extremely well with the Zones of Regulation work already going on in classes. Pupils have looked forward to the sessions and used the breathing techniques as part of their daily school life.

Total spend £17, 580
